Intro/verse

```
e|-7-7-7-7-7-0-0-0-----|
B|-0-0-0-0-0-7-7-7--8-8-8-8-7-7-7-7--5-5-5-5-5-3-3-3-----|
G|-5-5-5-5-5-5-5-5--0-0-0-0-0-0-0-0--0-0-0-0-0-0-0-0-----|
D|-7-7-7-7-7-7-7-7--7-7-7-7-7-7-7-7--5-5-5-5-5-5-5-5-----|
A|-0-0-0-0-0-0-0-0--5-5-5-5-5-5-5-5--3-3-3-3-3-3-3-3--5-5-5-5-5-5-5-5-|
E|-----3-3-3-3-3-3-3-3-|
```

That last chord may be played this way (sounds much better, I m only not sure if they played it like this):

```
e|-----
B|-----
G|--4--
D|--5--
A|--5--
E|--3--
```

In blizzard of 77
The cars were just lumps on the snow
And then later
Tripping in 7-11
The shelves were stretching out of control

On a plane ride
The more it shakes
The more i have to let go
Now the signals
Still getting all mixed up
We re always doing damage control

Chorus:

```
Am                                G
But in the middle of the night i worry
                                C
It s blurry even without light
Am                                G
```

In the middle of the night i worry
C
It s blurry even without light

I know i have got a negative edge
That s why i sharpen all the others a lot
It s like flowers or ladybugs
Pretty weeds or red beetles with dots

Chorus.

Outro:

C - C/B - Am - G

I miss you more than i knew...

C

Great song, and thanks to Matthew for the video. :)
