

From Now On  
Nada Surf

[Verse]

**B** **F#**  
Here comes the hot feeling again  
**E** **C#m**  
When i hear his name  
**B** **F#**  
I clearly have no control  
**E** **C#m**  
Can t help wondering  
**B** **F#**  
If herein gone like a wave  
**E** **C#m**  
I forget but then, start rememberin  
**B** **F#**  
The devil in my mind, why can t he go home  
**E** **B/D#** **C#m**  
Are we on our way

[Chorus]

**E** **B**  
I do not want to be in this song  
**C#m** **E**  
Sung while the summer rots and their hats high  
**E** **B**  
Where is the wind  
**D#m** **E**  
Why does it feel still again  
**E** **B**  
Can t think along these lines  
**D#m** **E**  
I m gonna live a long time  
**E** **B**  
Not along these lines  
**D#m** **E**  
I m gonna live a long time

[Verse]

**B** **F#** **E B/D# C#m**  
When it goes black it goes black so fast  
**C#m**  
No good state lasts  
**B** **F#** **E B/D# C#m**  
What i get slow is how to bounce back  
**B** **F#** **E B/D# C#m**  
You ll have to invent what you lack

[Bridge]

**G#m** **F#**  
Now its hunting season, the sleeping demons  
**E** **C#m**  
I want your attention, your invention  
**G#m** **F#** **E B/D# C#m**  
For every new reason, do you know how i need it?

[Bridge 2]

**F#** **E** **B**  
Oh your face and everything that you say  
**F#** **E** **B**  
And Oh your face and everything that you say  
**F#** **E** **B**  
And Oh your face and everything that you say

[Outro]

**E** **B**  
I almost washed us out talking to me  
**C#m** **E**  
The call came like a wave of relief  
**E** **B**  
I m such a lucky mess  
**D#m** **E**  
I just need some rest  
**E** **B** **D#m**  
Take me along  
**E**  
From now on  
**E** **B** **D#m**  
Take me along  
**E**  
From now on

[Outro 2]

**E B D#m** **E**  
I m gonna live a long time (x3)
