

**Neither Heaven Nor Space**  
**Nada Surf**

**F#7**

So quiet

It s neither heaven nor space, it s just high

And the ring around the moon

looks like light and love

Neither of which I get enough of

**F#7**  
Down there

Where alot of people lie, In a deep sleep

And months on end go by, in a single week

**F# F#7 Em A**  
Down there

But much too slow

Can t you see I m trying so hard to plug up this hole

The air is running out we re sinking much too low

And if you sit long enough

you can hear ghost trains

As if the city speed

is just in our brains

And coaxes close as we, get to sugar cane

**F# F#7 Em A**  
Down there

But much too slow

Can t you see I m trying so hard to plug up this hole,

The air is running out we re sinking much too low

So quiet, So quiet

It s neither heaven nor space, it s just high

**G**

And the ring around the moon

**D**

looks like light and love

Neither of which I get enough of
