

**Aloha Ke Akua  
Nahko Bear And Medicine For The People**

**C#m**

Lend your ears, lend your hands,

**A**

Lend your movement, anything you can.

**C#m**

Come to teach, come to be taught.

**A**

Come in the likeness in the image of God.

**E**

Cause, you can be like that.

**G#**

With all that humbleness, and all that respect.

**C#m**

All of the power invested in me,

**A**

be it hard to love my enemies.

**E**

**G#**

All of the black bags over the heads of the dead and dying.

**C#m**

The more I understand about the human race,

**A**

the less I comprehend about our purpose and place

**E**

and maybe if there was a clearer line

**G#**

the curiosity would satisfy.

**C#m**

Time based prophecies that kept me from living,

**A**

in the moment I am struggling

**E**

to trust the divinity of all the gods

**G#**

and what the hell they have planned for us.

**C#m**

I cry for the creatures who get left behind

**A**

but everything will change in a blink of an eye

**E**

and if you wish to survive,

**G#**

you will find the guide

~ C#m A E G# ~

**C#m**

I go back and forth every single day,  
**A**  
the clarity that comes to me in a choppy way,  
**E**  
as the feelings and the places  
and the seasons change,  
**G#**  
the galaxies remain.

**C#m**

Energy fields cone the body in space.  
**A**  
The angels that are coming from a spiritual waste.  
**E**  
The hate that gets me distant from my spiritual pace.  
**G#** **C#m**  
Ten fold the manna when the planets are in place, in polar alignment.  
**A**  
We re on assignment.  
**E**  
Bodies on consignment.  
**G#**  
Return them to the circus.

**C#m**

And what is the purpose?  
**A** **E**  
What is the purpose and would you believe it?  
**G#**  
Would you believe it

**A** **B**

if you knew what you were for  
**E** **G#**  
and how you became so informed?

**A** **B**

Bodies of info performing such miracles.

**E** **G#**

I am a miracle made up of particles

**A**

and in this existence,

**B**

I ll stay persistent,

**E**

and I ll make a difference

**G#**

and I will have lived it.

I will praise, I will praise.  
**C#m A**  
Each day that I wake,  
**E G#**  
I give thanks, I give thanks.  
**C#m A**  
Each day that I wake,  
**E G#**  
I will praise, I will praise.  
**C#m A**  
Each day that I wake,  
**E G#**  
I give thanks, I give thanks.

**C#m**  
And the day that I don t wake up  
**A**  
and transcend the holy make-up,  
**E G#**  
I am capable, I am powerful.  
**C#m**  
And the day that I don t wake up  
**A**  
and transcend the holy makeup,  
**E G#**  
I am on my way to a different place....

**C#m**  
I m not a leader, just a creature,  
seeking the features of a teacher.  
**A**  
Whether you follow or whether you lead  
**E**  
All mysterious ways of nature and I m into it.  
**G#**  
Changing management.

**C#m**  
And there are various ways to conquer this monotonous metropolis,

**A**

my stubbornness is bottomless,  
my fearlessness is talking shit

**E**

**G#**

and I m wide awake and I m taking names.

**C#m**

I am not a leader, just a creature.

**C#m**

Do you speak to me like you speak to God?

**A**

All of the love and understanding between the father and the son?

**C#m**

Do you believe in the perfectness of where you are?

**A**

These are my people, these are my children,  
this is the land that I would fight for.

**C#m**

My solidarity is telling me to patiently

**A**

be moving the musical medicine around the planet in a hurry,

**E**

Cuz there s no time to waste.

**G#**

Got to wake up the people time to stand up and say,

**E**

**G#**

I am on my way to a different place!
