Dbm

Lend your ears, lend your hands,

A

Lend your movement, anything you can.

Dbm

Come to teach, come to be taught.

A

Come in the likeness in the image of God.

E

Cause, you can be like that.

Ab

With all that humbleness, and all that respect.

Dbm

All of the power invested in me,

A

be it hard to love my enemies.

E

Ab

All of the black bags over the heads of the dead and dying.

Dbm

The more I understand about the human race,

A

the less I comprehend about our purpose and place

E

and maybe if there was a clearer line

Ab

the curiosity would satisfy.

Dbm

Time based prophecies that kept me from living,

A

in the moment I am struggling

E

to trust the divinity of all the gods

Ab

and what the hell they have planned for us.

Dbm

I cry for the creatures who get left behind

A

but everything will change in a blink of an eye

E

and if you wish to survive,

Ab

you will find the guide

~ **Dbm A E Ab** ~

Dbm

I go back and forth every single day,

A

the clarity that comes to me in a choppy way,

E

as the feelings and the places

and the seasons change,

Ab

the galaxies remain.

Dbm

Energy fields cone the body in space.

A

The angels that are coming from a spiritual waste.

E

The hate that gets me distant from my spiritual pace.

Ab

Dbm

Ten fold the manna when the planets are in place, in polar alignment.

A

We re on assignment.

E

Bodies on consignment.

Ab

Return them to the circus.

Dbm

And what is the purpose?

A

E

What is the purpose and would you believe it?

Ab

Would you believe it

A

B

if you knew what you were for

E

Ab

and how you became so informed?

A

B

Bodies of info performing such miracles.

E

Ab

I am a miracle made up of particles

A

and in this existence,

B

I ll stay persistent,

E

and I ll make a difference

Ab

and I will have lived it.

[Verse]

Dbm

I m not a leader, just a creature,
seeking the features of a teacher.

A

Whether you follow or whether you lead

E

All mysterious ways of nature and I m into it.

Ab

Changing management.

Dbm

And there are various ways to conquer this monotonous metropolis,

A

my stubbornness is bottomless,
my fearlessness is talking shit

E

Ab

and I m wide awake and I m taking names.

Dbm

Seeking the features of a teacher.

Do you speak to me like you speak to God?

A

All of the love and understanding between the father and the son?

Dbm

Do you believe in the perfectness of where you are?

A

These are my people, these are my children,
this is the land that I would fight for.

Dbm

My solidarity is telling me to patiently

A

be moving the musical medicine around the planet in a hurry,
