Dm

Lend your ears, lend your hands,

Bb

Lend your movement, anything you can.

Dm

Come to teach, come to be taught.

Bb

Come in the likeness in the image of God.

F

Cause, you can be like that.

A

With all that humbleness, and all that respect.

Dm

All of the power invested in me,

Bb

be it hard to love my enemies.

F

A

All of the black bags over the heads of the dead and dying.

Dm

The more I understand about the human race,

Bb

the less I comprehend about our purpose and place

F

and maybe if there was a clearer line

A

the curiosity would satisfy.

Dm

Time based prophecies that kept me from living,

Bb

in the moment I am struggling

F

to trust the divinity of all the gods

A

and what the hell they have planned for us.

Dm

I cry for the creatures who get left behind

Bb

but everything will change in a blink of an eye

F

and if you wish to survive,

A

you will find the guide

~ **Dm Bb F A** ~

Dm

I go back and forth every single day,

Bb

the clarity that comes to me in a choppy way,

F

as the feelings and the places

and the seasons change,

A

the galaxies remain.

Dm

Energy fields cone the body in space.

Bb

The angels that are coming from a spiritual waste.

F

The hate that gets me distant from my spiritual pace.

A

Ten fold the manna when the planets are in place, in polar alignment.

Bb

We re on assignment.

F

Bodies on consignment.

A

Return them to the circus.

Dm

And what is the purpose?

Bb

F

What is the purpose and would you believe it?

A

Would you believe it

Bb

C

if you knew what you were for

F

A

and how you became so informed?

Bb

C

Bodies of info performing such miracles.

F

A

I am a miracle made up of particles

Bb

and in this existence,

C

I ll stay persistent,

F

and I ll make a difference

A

and I will have lived it.

[Chorus]

[Verse]

Dm

I m not a leader, just a creature,
seeking the features of a teacher.

Bb

Whether you follow or whether you lead

F

All mysterious ways of nature and I m into it.

A

Changing management.

Dm

And there are various ways to conquer this monotonous metropolis,

Bb

my stubbornness is bottomless,
my fearlessness is talking shit

F

A

and I m wide awake and I m taking names.

Dm

I am not a leader, just a creature.
Seeking the features of a teacher.

Dm

Do you speak to me like you speak to God?

Bb

All of the love and understanding between the father and the son?

Dm

Do you believe in the perfectness of where you are?

Bb

These are my people, these are my children,
this is the land that I would fight for.

Dm

My solidarity is telling me to patiently

Bb

be moving the musical medicine around the planet in a hurry,

F

Cuz there s no time to waste.
