[Verse]

**Bm**

Lend your ears, lend your hands,

**G**

Lend your movement, anything you can.

**Bm**

Come to teach, come to be taught.

**G**

Come in the likeness in the image of God.

**D**

Cause, you can be like that.

**F#**

With all that humbleness, and all that respect.

**Bm**

All of the power invested in me,

**G**

be it hard to love my enemies.

**D**

**F#**

All of the black bags over the heads of the dead and dying.

**Bm**

The more I understand about the human race,

**G**

the less I comprehend about our purpose and place

**D**

and maybe if there was a clearer line

**F#**

the curiosity would satisfy.

**Bm**

Time based prophecies that kept me from living,

**G**

in the moment I am struggling

**D**

to trust the divinity of all the gods

**F#**

and what the hell they have planned for us.

**Bm**

I cry for the creatures who get left behind  
**G**  
but everything will change in a blink of an eye  
**D**  
and if you wish to survive,  
**F#**  
you will find the guide

~ **Bm G D F#** ~

**Bm**  
I go back and forth every single day,  
**G**  
the clarity that comes to me in a choppy way,  
**D**  
as the feelings and the places  
and the seasons change,  
**F#**  
the galaxies remain.

**Bm**  
Energy fields cone the body in space.  
**G**  
The angels that are coming from a spiritual waste.  
**D**  
The hate that gets me distant from my spiritual pace.  
**F#** **Bm**  
Ten fold the manna when the planets are in place, in polar alignment.  
**G**  
We re on assignment.  
**D**  
Bodies on consignment.  
**F#**  
Return them to the circus.

**Bm**  
And what is the purpose?  
**G** **D**  
What is the purpose and would you believe it?  
**F#**  
Would you believe it

**G** **A**  
if you knew what you were for  
**D** **F#**  
and how you became so informed?  
**G** **A**  
Bodies of info performing such miracles.  
**D** **F#**  
I am a miracle made up of particles  
**G**  
and in this existence,

**A**

I ll stay persistent,

**D**

and I ll make a difference

**F#**

and I will have lived it.

[Chorus]

**Bm G D F#**

Aloha, Aloha Ke Akua, Ke Akua,

I will praise, I will praise.

**Bm G**

Each day that I wake,

**D F#**

I give thanks, I give thanks.

**Bm G**

Each day that I wake,

**D F#**

I will praise, I will praise.

**Bm G**

Each day that I wake,

**D F#**

I give thanks, I give thanks.

**Bm**

And the day that I don t wake up

**G**

and transcend the holy make-up,

**D F#**

I am capable, I am powerful.

**Bm**

And the day that I don t wake up

**G**

and transcend the holy makeup,

**D F#**

I am on my way to a different place....

[Verse]

**Bm**

I m not a leader, just a creature,  
seeking the features of a teacher.

**G**

Whether you follow or whether you lead

**D**

All mysterious ways of nature and I m into it.

**F#**

Changing management.

**Bm**

And there are various ways to conquer this monotonous metropolis,

**G**

my stubbornness is bottomless,  
my fearlessness is talking shit

**D**

**F#**

and I m wide awake and I m taking names.

**Bm**

I am not a leader, just a creature.  
Seeking the features of a teacher.

**G**

Whether you follow or whether you lead

**D**

All mysterious ways of nature and I m into it.

I m into it.

**F#**

Changing management.

**Bm**

And there are various ways to conquer this monotonous metropolis,

**G**

my stubbornness is bottomless,  
my fearlessness is talking shit

**D**

and I am wide awake.

**F#**

And I m taking names.

**Bm**

And there are various ways to conquer this monotonous metropolis,

**G**

my stubbornness is bottomless,  
my fearlessness is talking shit,

**D**

**F#**

and I m wide awake and I m taking names.

**Bm**

Do you speak to me like you speak to God?

**G**

All of the love and understanding between the father and the son?

**Bm**

Do you believe in the perfectness of where you are?

**G**

These are my people, these are my children,  
this is the land that I would fight for.

**Bm**

My solidarity is telling me to patiently

**G**

be moving the musical medicine around the planet in a hurry,

**D**

Cuz there s no time to waste.

**F#**

Got to wake up the people time to stand up and say,

**G**

**A**

we know what we are for

**D**

**Bbm**

and how we became so informed.

**G**

**A**

Bodies of info, performing such miracles.

**D**
