Lyrics:

Trapped on the inside
You stare in
Who the fuck are you
To tell us anything
Rotting right through
Poison inside
Thirty one flavors of napalm to try

Fuck you and your plans
I live my life my way
Vai toma no cu
You scumbag you waste

Tired of your ways
Hate rising again
I know you d like to see me
Put a bullet in my brain
I m gonna be part
Of your plan

Fuck your solutions cause nothing gets changed

Fuck you and your plans
I live my life my way
Vai toma no cu
You scumbag you waste (etc)
