I want to sleep in your arms,

**G** **Em**  
 Just like a child  
**C** **D** **Bm** **D**  
 There are days when I ll suddenly wish for that, oh  
**C** **D**  
 Come to think of it, how long has it been  
**G** **D**  
 How long has it been, since I last cried?  
**C** **G** **D** **Am**  
 But it s not like I can change now

 You know that I m grown  
**G** **C** **Em** **G** **Bm** **C**  
 I got what I wanted at last, but in return

 I know

 that I let go of your smile, and all your affection and light,  
**C#m** **D** **G**  
 that you were going to give, baby

**C** **D** **Bm** **D** **G** **Am**  
 No matter who I look at now, no matter who I spend time with  
**Am** **C** **D** **Em** **D** **G** **C**  
 The day where I can, forget, you will never come  
**C** **G** **C** **D** **Em** **Am**  
 I ll keep on loving you in my heart,  
**Am** **Em** **D**

 Even though I knew we would, go separate ways eventually,  
**Eb** **G** **Am** **Bm** **G**  
 I m thankful for, the miracle that allowed us to meet

 Those irreplaceable days,  
**D** **Bb**  
 All my regret and pain,  
**C** **Bm** **G**  
 and even my sadness  
**Eb** **D** **C** **D**  
 can all shine, yes, someday...  
**Em** **C** **D** **C** **D**  
 Baby-

[Chorus]
