The entire song is just Cm

Yume no, yume no, yume no kutsu

Work the middle, work the middle, work the middle like I do
Oh boy, look at me, oh boy, look at me
Aise sureba ii, legs, arms, shoulders, knees, fingers, toes, hips and belly
Haruba kara koto naku let's get WILD

Be WILD, be be be WILD
Haato biito shiito etto
Do you know that even the Japanese people don't think hard
Peesu wo tsunagete, sukiima wo umeyou
Batsu wo kowashite, inochi wo umeyou

Work the middle, work the middle, work the middle like I do
Oh boy, look at me, oh boy, look at me
Aise sureba ii, legs, arms, shoulders, knees, fingers, toes, hips and belly
Haruba kara koto naku let's get WILD

Be wild, kirai
Janai hazu hontou wa
Hajirai no culture, yobujou e no torture
In to wa, outto to wa, dokoroka mawazu

Go another round, mada mada mada mada mada
Futari na nara, ba mata mata mata mata

Work the middle, work the middle, work the middle like I do
Oh boy, look at me, oh boy, look at me
Aise sureba ii, legs, arms, shoulders, knees, fingers, toes, hips and belly
Haruba kara koto naku let's get WILD

Get wild, get wild, get, get, get wild, get wild, get wild, get, get, let's
get wild

Peesu wo tsunagete, sukiima wo umeyou
Batsu wo kowashite, inochi wo umeyou

Go another round, mada mada mada mada mada
Futari na nara, ba mata mata mata mata

Work the middle, work the middle, work the middle like I do
Oh boy, look at me, oh boy, look at me
Aise sureba ii, legs, arms, shoulders, knees, fingers, toes, hips and belly

Haruba kara koto naku let's get WILD

Work the middle, work the middle, work the middle like I do

Oh boy, look at me, oh boy, look at me

Aise sureba ii, legs, arms, shoulders, knees, fingers, toes, hips and belly

Haruba kara koto naku let's get WILD

Get wild, get wild, get, get, get wild, get wild, get wild, get, get, let's
get wild!
