

**Even Now**

**Nana Mouskouri**

Capo 2

**G C D G G C D G**

oooo oooo.....

**G** Moon in the sky softly creeping **C**

**D** Over the time from above **G**

**C** And I lie awake hardly sleeping **C**

**D** So lonely for only your love **G**

**C** Even now, each night, I remember

**D** Days of summer when blossoms filled each bough **G**

**C** In the cold, gray days of December

**D** My darling, I miss you even now **G**

**C** When will I see you again?

**D** Come to my arms where you belong **G**

**C** My world will be empty till then

**D** For you are the words to my song **G**

**C** Even now, each night, I remember

**D** Days of summer when blossoms filled each bough **G**

**C** In the cold, gray days of December

**D** My darling, I miss you even now **G**

**C** In the cold, gray days of December

**D** My darling, I miss you even now **GCG**
