Across the Great Divide - Kate Wolf

A D A  
I ve been walking in my sleep  
F#m D  
Counting troubles stead of counting sheep  
A F#m  
Where the years went I can t say  
D E A  
I just turned around and they ve gone away

A D A  
I ve been sifting through the layers  
F#m D  
Of dusty books and faded papers  
A F#m  
They tell a story I used to know  
D E A  
And it was one that happened so long ago

A D A  
Chorus: It s gone away in yesterday  
F#m D  
Now I find myself on the mountainside  
A E F#m A  
Where the rivers change direction  
D E A  
Across the Great Divide

A D A  
Now, I heard the owl a-callin  
F#m D  
Softly as the night was fallin  
A F#m  
With a question and I replied  
D E A  
But he s gone across the borderline

Chorus

**A**                         **D**         **A**  
The finest hour that I have seen  
          **F#m**                         **D**  
Is the one that comes between  
          **A**                         **F#m**  
The edge of night and the break of day  
          **D**             **E**         **A**  
It s when the darkness rolls away

Chorus Twice
