[Each chord is one 2/2 measure]

G G C C D D G G
[intro]

G G C C
You come home late and you come home early
D D G G
You come on big when you re feeling small
G G C C
You come home straight and you come home curly
D D G G
Sometimes you don t come home at all

G G C C
So what in the world s come over you
D D G G
And what in heaven s name have I done
G G C C
You ve broken the speed of the sound of loneliness
D D G G
You re out there running just to be on the run

Well I got a heart that burns with a fever
And I got a worried and a jealous mind
How can a love that ll last forever
Get left so far behind

So what in the world s come over you
And what in heaven s name have I done
You ve broken the speed of the sound of loneliness
You re out there running just to be on the run

[Instrumental, same chords as one verse]
