

**How High The Moon**  
**Nancy Hamilton**

Somewhere there s music  
                                  **GM7**

How faint the tune  
                                  **Gm7**

Somewhere there s heaven  
**C7**                                  **FM7**

How high the moon  
                                  **Fm7**

There is no moon above  
**Bb7**                                  **Ebm7**

When love is far away too  
          **Am7b5**          **D7**          **Gm7**  **Am7b5**

Till it comes true  
          **D7**          **GM9**  **Am**

That you love me as I love you  
          **D7**          **Bm7**  **Bb7**          **Am7**

Somewhere there s music  
          **Am7/D**  **D7**          **GM7**

It s where you are  
                                  **GM7**  **C7**

Somewhere there s heaven  
                                  **FM7**

How near, how far  
                                  **Fm7**  **Bb7**

The darkest night would shine  
          **Ebm7**

If you would come to me soon  
          **Am7b5**          **D7**          **GM7**  **Am7**

Until you will, how still my heart  
          **D7b9**  **Bm7**          **Bb7**          **Am7**

How high the moon  
          **Am7/D**  **D7b9**  **G6**
