

My Baby Cried All Night Long

Nancy Sinatra

My Baby Cried All Night Long

F **Bb** **F**
My baby cried all night long

Bb **F**
My baby cried all night long

D#
He saw me dancing with a boy named Joe

F **Bb**
A hug and then a kiss and with the lights down low

F **Bb** **F**
And my baby cried all night long

My baby cried all night long
My baby cried all night long
He saw me messinâ€™ with a boy named Lou
And baby can t do what Lou can do
And my baby cried all night long

Last night I cried all night long
Last night I cried all night long
I saw my baby out on the town
Doing all the things I ve done and made brought me down
And then I cried all night long
Yeah, last night I cried all night long.
