I m not a queen, I m a woman, take my hand

We ll make a space in the lives that we d planned
Am **D** **G**
And here we ll stay until it s time for you to go

Yes, we re different, worlds apart, we re not the same
We laughed and played at the start like in a game
You could have stayed outside my heart but in you came
And here you ll stay until it s time for you to go

Don t ask why, don t ask how
B7 **Em**
Don t ask forever
A7 **D**
Love me, just love me now

This love of mine, had no beginning and it has no end
I was an oak but now I m a willow now I can bend
