Nashville Cast

G **D**
Some times it feels like I m so far away

G **D**
like everything I love has lost its place

G
when life gets the best of me

A
I just close my eyes and see

G
fireflys dancing in the yard

D
under a blanket of stars

A
sound of that rusty string guitar

D
playing songs we know

G
and all that i have to do

D **G**
is think one little thought of you

A
and I m back home

D
I m right back home

G **D**
work so long and hard to chase a dream

G **D**
wind up some place you don t want to be

G
it such a lonely road

A
especially when you know

G
there s fireflys dancing in the yard

D
under a blanket of stars

A
sound of that rusty string guitar

D
playing songs we know

G

and all that i have to do

D

G

is think one little thought of you

A

and I m back home

D G

I m right back home

G **A**

I m back home

G **D**

yea I m right back home
