

**Stronger Than Me**  
**Nashville Cast**

Okay, so this is my first tab, now i did mine according to the TV show version not the studio MP3 version. so hope you guys enjoy.

VERSE 1

**Dm**                    **C**            **G**  
Ooooohhh Here I go again  
**Dm**    **C**    **G**  
Walking the line killing time between my sins  
**Dm**                    **C**            **G**  
oooohhh why do I come here?  
**Dm**    **C**  
The ending is still the same  
**G**  
Im bringing back old tears  
**F**                    **Am**            **G**  
I act like I dont know  
**F**                    **Am**            **G**  
Where this road will go

CHORUS

**F**    **C**  
Pour me something stronger pour me something straight  
**G**    **Am**  
All these crooked voices make them go away  
**F**    **C**  
I can barely stand up I can hardly breathe  
**G**    **F**  
Pour me something stronger than me x2

VERSE 2

**Dm**                    **C**            **G**  
Sunrise hurts as much as you  
**Dm**                    **C**    **G**  
You always come up when I dont want you to  
**Dm**                    **C**            **G**  
Ooooohhh I can still hear you say  
**Dm**    **C**    **G**  
That you and I will both be better off this way  
**F**                    **Am**            **G**  
These things that I run to  
**F**                    **Am**            **G**  
That I put my heart through

CHORUS

**F**    **C**

Pour me something stronger pour me something straight

**G** **Am**

All these crooked voices make them go away

**F** **C**

I can barely stand up I can hardly breathe

**G** **F**

Pour me something stronger than me x2

#### INSTRUMENTAL
