

Treading Water
Nashville Cast

[Intro]

G D C x2

[Verse]

G **D**
You said it was gonna be different this time
C
I was on the road, I swore I d find
G **D** **C**
Was gonna be the girl that always knew I d be
G **D**
But I burned too hot, too fast, too bright
C
A falling star bound to lose its shine
G **D** **C**
I m right back where I said I wouldn t be
Am **D**
Stick around then you will see

[Chorus]

Em **D**
I m just treading water
C **G**
Trying not to drown
Em **D**
While you re standing on the edge
C **G**
With both feet on the ground
Em **D**
If you only knew
C **G**
How far you d have to fall
Am **D**
Then baby you wouldn t want me at all

[Interlude]

G D C x2

[Verse]

G **D**
Took my hand, said it s okay
C
We re all messed up in our own way
G **D** **C**
There s room enough for two here in the dark
G **D**
But I don t think you really get
C
How often I m a losing bet
G **D** **C**
I m gonna wreck it all and watch it fall apart
Am **D**
Stick around and you will see

[Chorus]

Em **D**
I m just treading water
C **G**
Trying not to drown
Em **D**
While you re standing on the edge
C **G**
With both feet on the ground
Em **D**
If you only knew
C **G**
How far you d have to fall
Am **D**
Then baby you wouldn t want me at all

[Outro]
