

Monday Afternoon

Nat and Alex Wolff

This is the way it was recorded on blacksheep i had seen another tab/chords on here and they were somewhat wrong this is the right way to play it and and not like the older version out there live of him this the new way and the intro might sound off but if you listen to the album you can hear it well here it is

INTRO

B-to-D

A-to-C

G-to-A#

F#-to-A

so the whole things is

B-D-A-C-G-A#-F#-A(2x)

VERSE 1

B A

I see your beautiful

G

Oh beautiful

F# B

On Monday afternoons

A

You drown inside the pool

G G

abandon this sorrow until

B

Monday afternoon

pre-chorus

B Bm A

You say breathe slowly, calm down.

E Em

This boat is coming to a halt now.

Bm A

Lift your head up, leave me behind,

E Em

My pain is not your fault.

chorus

G

So let go of me,

D

And you ll be free.

Em

I am only beautiful,

Bm

On Monday afternoons.

G

And I say you don't see,

D **Dsus4**

This is vanity.

Em

You are always beautiful,

Bm

A flower in bloom.

VERSE 2

B **A**

I will not leave you here

G

Oh, beautiful

F# **B**

For you will surely die

A

If I leave you here

G

Alone and cold

F# **B**

I'll miss you, I will die

pre-chorus

B **Bm** **A**

You say breathe slowly, calm down.

E **Em**

This boat is coming to a halt now.

Bm **A**

Lift your head up, leave me behind,

E **Em**

My pain is not your fault.

chorus

G

So let go of me,

D

And you'll be free.

Em

I am only beautiful,

Bm

On Monday afternoons.

G

And I say you don't see,

D **Dsus4**

This is vanity.

Em

You are always beautiful,
Bm
A flower in bloom.

BRIDGE

C **D**
With in me, without me
 G **Em** **Bm**
All good things has passed
C
Hold my hand thorough
 D **G** **Em**
The darkness and together
 Bm
we can last

INSTRUMENTAL

B-D-A-C-G-A#-F#-A(2x)

chorus

G
So let go of me,
D
And you ll be free.
Em
I am only beautiful,
Bm
On Monday afternoons.
G
And I say you don t see,
D **Dsus4**
This is vanity.
Em
You are always beautiful,
Bm
A flower in bloom.

Em
No i am only beautiful
Bm
On Monday afternoons
