

A Nightingale Sang In Berkeley Square
Nat King Cole

G **Em** **Bm** **G7**
That certain night, the night we met,
C **B7** **Em** **B**
There was magic abroad in the air;
G **D7** **G7** **Cm**
There were angels dining at the Ritz
G **Em** **Am7** **D7** **G** **Em** **Am7** **D7**
And a nightingale sang in Berkeley Square.

I may be right, I may be wrong,
But I m perfectly willing to swear
That when you turned and smiled at me
G **Em** **Am7** **D7** **G** **Em** **Em6** **F#7**
A nightingale sang in Berkeley Square.

Bridge 1:

B7 **C#m7/5-** **F#7**
The moon that lingered over London town --
Bm **Gdim** **C#m7/5-** **F#7**
Poor, puzzled moon, he wore a frown.
B7 **C#m7/5-** **F#7**
How could he know we two were so in love
Bm **Gdim** **Am7** **D**
The whole darn world seemed upside down.

The streets of town were paved with stars,
It was such a romantic affair.
And as we kissed and said Good-bye,
A nightingale sang in Berkeley Square.

How strange it was, how sweet and strange;
There was never a dream to compare
With that hazy, crazy night we met
When a nightingale sang in Berkeley Square.

This heart of mine beat loud and fast,
Like a merry go round at the fair;
For we were dancing cheek to cheek
And a nightingale sang in Berkeley Squire.

Bridge 2:

When dawn came stealing up all gold and blue
To interrupt our rendezvous,
I still remember how you smiled and said,
Was that a dream or was it true?

Our homeward step was just as light
As the tap-dancing feet of Astaire,
And like an echo, far away,

G **Em** **Am7 D7** **G** **Em**
A nightingale sang in Berkeley Square.

Coda:

Am7 **D7** **Dm6** **E7**
I know cause I was there
C **C/B** **Cm** **D7** **G** **Em** **Cm** **Cm7/5-** **G**
That night in Berkeley Square.
