

Answer Me, My Love
Nat King Cole

D **A**
Answer me, oh, my love;
G **Gm** **D**
Just what sin have I been guilty of?
G6 **D**
Tell me how I came to lose your love,
Fdim **Em7** **A7** **D**
Please answer me, my love.

D **A**
You were mine yesterday;
G **Gm** **D**
I believed that love was here to stay.
G6 **D**
Won't you tell me where I've gone astray?
Fdim **Em7** **A7/5-** **D**
Please answer me, my love.

(ponte)

F#m **D7** **F#m**
If you're happier without me, I'll try not to care;
Dm7 **E7** **A7**
But if you still think about me, please listen to my prayer.

D **A**
You must know I've been true;
G **Gm** **D**
Won't you say that we can start anew?
G6 **D**
In my sorrow, now I turn to you;
Fdim **Em7** **A9** **A7/9-** **D6**
Please answer me, my love.
