Impossible
Nat King Cole

```
   C    Am7      D7/9  D7/9/F#  G6        G/F#   E7
If they had  ev - er     told me
Am7          Cdim  D9  Bm7/5-   E7
How sweet a kiss could  be,
C  C/B       Am7  Cdim  G6              G/F#   Em7
I would have said,  Im - pos - si - ble,
     Am7              Cdim D7/9  G6      E
Im - pos - si - ble       for  me.

   C    Am7      D7/9 D7/9/F#  G6        G/F#   E7
And if they said  I d     find you
Am7          Cdim    D9  Bm7/5-  E7
Beyond the rain - bow s end,
C  C/B       Am7  Cdim  G6              G/F#   Em7
I would have said,  Im - pos - si - ble,
Am7                     Cdim    G
Im - pos - si - ble,  my friend.

(ponte)
Fdim    Am7  D7/9  D9    G  G/F#        Em7
To   dream about what might    have been
     Am7     D9        G
Is strange enough for me;
     Cdim       B7       D7/9   G
But now it seems I m living in
     E     Bm7/5-       Cdim      D9    D7
A dream too beau - ti - ful to be.

C    Am7      D7/9 D7/9/F#  G6         G/F# E7
If they had said   a      moonbeam
Am7          Cdim   D9 Bm7/5-  E7
Could calm a stor - my  sea,
C  C/B       Am7  Cdim  G6               G/F#   Em7
I would have said,  Im - pos - si - ble,
     Am7   D7/9   Bm7/5-    E7
But now at last I see
C    C/B   Am7 Cdim  G6              G/F#   Em7
That nothing is  im - pos - si - ble
     Am7      A7   D7/9 G
If you are here with me.
