Now that weâ€™ve said goodbye

Yes itâ€™s over

No more curfews to break

No more memories

We must hurry and make

Oh itâ€™s so hard to laugh

So easy to cry

Now that weâ€™ve said goodbye

Eb

Dreams wonâ€™t die

Gb

Though you go away

Bb

Iâ€™ll be lovinâ€™ you wherever you are

Eb

But itâ€™s mighty hard to cling to a fallinâ€™ star

My smiling days are over

And beyond all recall

Just a lot of

No more nothing at all

Oh itâ€™s so hard to laugh

So easy to cry

Now that weâ€™ve said we goodbye

My smiling days are over

And beyond all recall

Just a lot of

No more nothing at all

Oh itâ€™s so hard to laugh

So easy to cry

Now that weâ€™ve said goodbye

Now that weâ€™ve said goodbye
