Nat King Cole

(intro) **C Dm7 G7**

```
              G7    G7+          C    B7    C
Pretend you re happy when you re blue;
        C/B          Dm    A7    Dm
It isn t very hard to do
                  F              Dm7    G7
And you ll find happiness without an end
    F    G7    C    B7    G7
Whenever you pretend.

        G7 G7+      C    B7    C
Remember anyone can dream,
          C/B            Dm    A7    Dm
And nothing s bad as it may seem;
          F      Dm7      G7
The little things you haven t got
      F    G7          C    Dm7    C
Could be a lot if you pretend.
```

(ponte)

```
            Em              F
You ll find a love you can share,
          Cdim          C6    G7    C6
One you can call all your own;
      Am6      B7      F#m7      B7
Just close your eyes, she ll be there --
        Em    Cdim    G7
You ll never be alone.

        G7          G7+  C    B7    C
And if you sing this melody,
            C/B              Dm    A7    Dm
You ll be pretending just like me.
              F              Dm7        G7
The world is mine, it can be yours, my friend,
    F        G7 G7+  C          Cdim        G7
So why don t you pretend?

        G7          G7+  C    B7  C
And if you sing this melody,
            C/B              Dm    A7    Dm
You ll be pretending just like me.
              F              Dm7        G7
The world is mine, it can be yours, my friend,
    F      G7  G7+  C          Cdim        C
So why don t you pretend?
