C

I m looking at you through the glass...

D

Don t know how much time has passed

Em

Oh god it feels like forever

Em

C

But no one ever tells you that forever

D

Em

Feels like home, sitting all alone inside your head

(C D Em D) toda via...

How do you feel? That is the question

But i forget.. you dont expect and easy answer

When something like a soul becomes

Initialized and folded up like paper dolls and little notes

You cant expect to bitter folks

And while your outside looking in

Describing what you see

Remember what your staring at is me

C

I m looking at you through the glass...

D

Don t know how much time has passed

Em

Oh god it feels like forever

Em

C

But no one ever tells you that forever

D

Em

Feels like home, sitting all alone inside your head

(C D Em D) toda via...

How much is real? So much to question

And never dare make up the mannequins

Contaminating everything

When thought came from the heart

It never did right from the start

Just listen to the noises

(No more sad voices)
Before you tell yourself
Its just a different scene
Remember its just different from what you ve seen
