C D Em
Long before we met I saw you under
C D Em
Neon lights no time I was falling
C D Em D
And I wonder if your shape could be melt with mine
C D Em
Tempting love on blurry Friday nights
C D Em
What is right or wrong
C D Em
As Billie said every promise can be broken
C D Em
just by being honest
C D Em
Just by being honest

Don t you ask
C D Em
Don t ask why I can t have you, you can t have me
C D Bm C
Don t be shy I can t dare to let you go
C Em
I don t know, I just go
Bm C Bm Em Bm C
Oooh oh oh Oooh oh oh
C D Em
I could risk it all betting on my
C D Em C D
life you d run to me if they were blind and nobody
Em Am D
could feel our sense of gravity
C D Em
Your fingers on the trigger when I sleep
C D Em
I hope you dare to shoot
C D Em
Even though the fire s burning wild
C D Em C D Em
We re whispers in the dark

C D Em

Don t ask why I can t have you, you can t have me
