Intro: **C#m**, **B**, **A**, **F#**

```
C#m               B                         A
 Sometimes I feel like I m just existing
     F#                    C#m
 I m not really living
          B              A             F#
 I m only watching the time slip away
        C#m           B
 I ve forgotten who I am in you
      A                     F#
 I m not who I m meant to be
C#m               B                 A        F#
 I m drifting farther away from my destiny
```

Chorus:
```
E             B                 C#m
 Awaken my heart, awaken my soul
              A                 E
 Awaken your power and take control
            B         C#m             A
 Awaken the passion to live for you, Lord
```

```
   C#m     B     A     F#
 Awaken me
```

```
C#m             B                       A
 My soul is longing, my heart is searching
      F#                      C#m
 I m desperate for you to move
            B                 A
 Give me a hunger, pull me closer
       F#
 I m crying out to you
```

Chorus:
```
E             B                       C#m
```

```
Awaken my heart, awaken my soul
          A                 E
Awaken your power and take control
          B         C#m                   A
Awaken the passion to live for you, I wanna live for you
E         B           C#m
Awaken my heart, awaken my soul
          A                 E
Awaken your power and take control
          B         C#m           A
Awaken the passion to live for you, Lord

Bridge:
F#m             C#m     A        E
 Open my eyes so I can see your presence
           B
 Dwelling inside
F#m                 C#m     A             E
 Wake me up,  cause I can t live another minute
             F#m              ...E
 If I m not shining your light

E           B                 C#m
 Awaken my heart, awaken my soul
E           B          (Gb)
