

**Back At My Heart**  
**Natalie Grant**

**Ab** **Abmaj7** **Ab** **Abmaj7** **Fm7** **Fm9**  
Strong on the outside but coming apart at the seams,  
**Fm7**

that s me.  
**Ab** **Abmaj7** **Ab** **Abmaj7** **Fm7** **Fm9**  
Tragically always together but bruised underneath ,  
**Fm7**

that s me.  
**Dbmaj7** **Ebsus**  
I stand just to stumble,  
**Eb** **Fm7**  
tripping on my pride.  
**Abmaj7** **Ab** **Dbmaj9**  
Why do I always try to hide?

**Ab** **Abmaj7**  
Meanwhile back at my heart,  
**Db2**  
I m desperate for all that You are.  
**Fm7** **Ebsus** **Db2**  
Undo me, take me apart.  
**Ab** **Abmaj7**  
Meanwhile back at my soul,  
**Db2**  
oh, mend me Lord, please make me whole.  
**Fm7** **Eb** **Db2** **Ebsus**  
You know just where to start: back at my heart,  
**Eb** **Fm7**  
back at my heart.

**Db2** **Db2** **Eb6** **Eb69** **Fm7** **Fm9**  
Patiently waiting to pick up the pieces of me,  
**Ab2** **Abmaj9**  
that s You.  
**Db2** **Db2** **Eb6** **Eb69** **Fm7** **Fm9**  
Healer of hearts when the world leaves it broken in two,  
**Ab2** **Abmaj7**  
that s You.  
**Dbmaj7** **Ebsus** **Bb** **Fm7**  
Maker of heaven, sky and the sea,  
**Abmaj7** **Ab** **Db2**  
when You stretched Your arms, You reached for me,  
  
You reached for me.

**Ab** **Abmaj7**
