But I have stolen and I've crossed the line

**E**

And I want you, I want you

**B**

Twenty seconds and you could be gone

**G#m**

You shine brighter than the morning sun

You think it's over but it's just begun

**E**

And I want you, I want you

PRE-CHORUS

**E**

This sky of grey is full of gold

**F#**

**B**

Could fill your heart and fill your soul

**E**

I'll drink it up and take it slow

**F#**

**B**

I don't need anything else

CHORUS

**E**

**B**

Tell me where I'm heading

**G#m**

**F#**

Tell me I could be there soon
