1a parte: som acústico

                  F  
Take your Hand  
                          Eb  
And place it in my pocket

Flick your eyes back in their sockets  
Bb  
Put those thoughts away

                                  F  
Sometimes they re much to loud

                  F  
I ll take a breath  
                          Eb

And cradle your sweet head

Bb

Should've stayed at home in bed

Put that face away

F

I'm melting for you

Refrão: som acústico com tremolo

Bb Dm

I know, I get cold

F

Cos I can't leave things well alone

F

Understand I'm accident prone

Bb Dm

Me, I get free

Eb F

Every night the moon is mine

RIFF 2 ==== som acústico + tremolo 4x

F

But when the morning comes

Eb

Don't say you love me

Bb

Don't say you need me

F

I really don't think that's fair

F

Boy I'm not so dumb

Eb

But when you leave me

Bb

F

I'll be wishing was I, wishing I, wishing, I was there

RIFF 1 ==== distorção + controle de volume 1x

2a parte: som acústico

F

Eb

I dreamt about another girl in bed with you

You just laughed and smiled

Bb

Denied the proof

F

We're fine till I think of the problem

F

I wish it made sense

Eb

Like a joke that no one gets

Bb

It's a life without regret

F

I want to feel that way, forever and ever

Refrão: som acústico com tremolo

Bb

Dm

I know, I get cold

F

Cos I can't leave things well alone

F

Understand I'm accident prone

Bb Dm

Me, I get free

Eb

F

Every night the moon is mine
