

**Break Your Heart**  
**Natalie Merchant**

( Natalie Merchant / Indian Love Bride )

**C**

people downcast, is despair

**G**

see the disillusion everywhere

**F**

hoping their bad luck will change

**C**

gets a little harder every day

**C**

people struggle, people fight

**G**

for the simple pleasures in their lives

**F**

but trouble comes from everywhere

**C**

it s a little more than you can bear

**Am**

I know that it will hurt

**Dm**

I know that it will break your heart

**C**

the way things are

**G**

and the way they ve been

**C**

and the way they ve always been

**C**

people shallow, self-absorbed

**G**

see the push and shove for their rewards

**F**

I, me, my is on their minds

**C**

you can read about it in their eyes

**C**

people ruthless, people cruel

**G**

see the damage that some people do

**F**

full of hatred, full of pride

**C**

it s enough to make you loose your mind

**Am**

I know that it will hurt

**Dm**

I know that it will break your heart

**C**

the way things are

**G**

and the way they ve been

**Am**

I know that it will hurt

**Dm**

I know that it will break your heart

**C**

the way things are

**G**

and the way they ve been

**Bb F**

don t spread the discontent

**G**

don t spread the lies

**Bb F**

don t make the same mistakes

**G**

with your own life

**C**

you never will let love survive

**C G F C**

**Am Dm C G**

**Am**

I know that it will hurt

**DM**

I know that it will break your heart

**C**

the way things are

**G**

and the way they ve been

**Bb F**

don t spread the discontent

**G**

don t spread the lies

**Bb F**

don t make the same mistakes

**G**

with your own life

**Bb F**

don t disrespect yourself

**G**

don t loose your pride

**Bb F**

and don t think that

**G**

everybody s gonna choose your side
