

Maggie And Millie And Molly And May
Natalie Merchant

From TED.com talk at ~7:45 a most beautiful song!!!!

the hardest song I ve transcribed yet...of two I guess that can t be hard, but
it s not perfect. Good luck!

B	A	E	B
maggie and milly and molly and may			
A	E (hold)	B	
went down to the beach (one day...to play)			
B	A	G#m	A
and maggie discovered a shell that sang			
G#m	A	E	B
so sweetly she couldnâ€™t remember her troubles,			

B	A	E	B
maggie and milly and molly and may			

B	A	E	B
maggie and milly and molly and may			

and

B	A	G#m	A
milly befriended a stranded star			
G#m	A	G#m	A E (big strum)
whose rays, whose rays		five languid fingers were;	

B	A	E	B
maggie and milly and molly and may			

B	A	E	B
maggie and milly and molly and may			

F#m	E	Bm	C#
------------	----------	-----------	-----------

and molly was chased by a horrible thing

C#m?	B	E	A
-------------	----------	----------	----------

which raced sideways, blowingblowing.....blowing: and

E(bar)	G#m	A	E
---------------	------------	----------	----------

may came home with a smooth round stone

A	G#m	C#m
----------	------------	------------

as small as a world and as large as alone.

E(bar)	G#m	A	E(bar)
---------------	------------	----------	---------------

For whatever we lose (like a you or a me)

E	A	G#m	C#m
----------	----------	------------	------------

itâ€™s always ourselves that we find in the sea
