

**With You**  
**Natalie Walker**

First Tab! Yay! I love this song. Natalie is a fabulous singer/songwriter and an inspiration to my own work! <http://www.natalie-walker.com/>

\*capo on the first fret\*

Intro: **Em7, Cadd9, G, D/F#** x2

Verse:

**Em7**                    **Cadd9**                    **G**                    **D/F#**                    **Em7**  
We ve come along a long way, I must say.  
**Cadd9**                    **G**                    **D/F#**                    **Em7**  
We ve come along a long way.  
**Cadd9**                    **G**                    **D/F#**                    **Em7**                    **Cadd9**                    **G**                    **D/F#**  
Love takes time and time is on our side.                    Time is on our side.

Chorus:

**Cadd9**                    **G**                    **D/F#**                    **Cadd9**  
I was all alone and I didn t have a place.  
**G**                    **D/F#**                    **Cadd9**  
You came into my life and then everything changed.  
**G**                    **D/F#**                    **Cadd9**                    **G**                    **D/F#**  
Love this strong never fades.                    What s on to your life doesn t go away.

Repeat Verse and Chorus.

Bridge: Same as the verse.

\*Thank You! Lots of love!\*
