Can u tell me what's the point man,
It all seems meaningless
I wish that I could step away and breathe
This world's trying to swallow me

              Dm
 What are you worried about
Got my dreams, got my life, got my love
Got my friends got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy?
