Natasha Bedingfield

I think the tuning could be either standard no capo or standard with capo on 1.
Either
way, I m sure you ll sound absolutely wonderful! :D

Bb F Cm

Oooooohhh.

Bb F Cm
Landlords Knocking at my door cussing me out
Bb F Cm
Got laid off my job the night before
Canâ€™t figure how
Bb F
Iâ€™m gonna fix tomorrow away
Cm
If todayâ€™s still a mess
Bb F
Can u tell me whatâ€™s the point man,
Cm
It all seems meaningless
Bb F Cm
I wish that I could step away and breathe
This worldâ€™s trying to swallow me
Bb F Cm
Clear away the clouds inside my head

[Chorus:]

Bb
Someone just tell me
F Cm
That itâ€™s ok now
Bb F Cm
What are you worried about
Bb F Cm
Got my dreams, got my life, got my love
Got my friends got the sunshine above
Bb F
Why am I making this hard on myself
Cm
When thereâ€™s so many beautiful reasons I have to be happy?

Bb F Cm

(Same chords through verse 2! Hooray!)
People lie, people hide, people cry, people fight
And they donâ€™t know why

If fear is all that we should fear
Then what are we so afraid of
Cause fear is only in our heads

Someone please say...

[Chorus]

(I m not quite sure of the chords for the bridge, but hopefully they re ok! :D)

Gm **Bb**
Any day ill go bad thinking that
Cm
Everyone is against me and the world wants to fight me
Gm **Bb** **F**
Preparing to battle an enemy unseen
Gm **Bb**
During my stressing Iâ€™m blinded to the lesson
Cm **Gm**
That could be a blessing if Id be confessing that the enemy
Bb **F**
Iâ€™m trying to beat is hiding inside of me

But itâ€™s ok now...what are you worrying about...

[Chorus]

Bb **F** **Cm** **Bb** **F** **Cm**
Keep your grind on girl...itâ€™s your life, itâ€™s your world... [Repeat 2x]

[Chorus]
