

Happy

Natasha Bedingfield

I think the tuning could be either standard no capo or standard with capo on 1.
Either way, I m sure you ll sound absolutely wonderful! :D

B F# C#m

Oooooohhh.

B F# C#m
Landlords Knocking at my door cussing me out

B F# C#m
Got laid off my job the night before
Canâ€™t figure how

B F#
Iâ€™m gonna fix tomorrow away

C#m
If todayâ€™s still a mess

B F#
Can u tell me whatâ€™s the point man,

C#m
It all seems meaningless

B F# C#m
I wish that I could step away and breathe
This worldâ€™s trying to swallow me

B F# C#m
Clear away the clouds inside my head

[Chorus:]

B
Someone just tell me

F# C#m
That itâ€™s ok now

B F# C#m
What are you worried about

B F# C#m
Got my dreams, got my life, got my love
Got my friends got the sunshine above

B F#
Why am I making this hard on myself

C#m
When thereâ€™s so many beautiful reasons I have to be happy?

B F# C#m

(Same chords through verse 2! Hooray!)
People lie, people hide, people cry, people fight
And they donâ€™t know why

If fear is all that we should fear
Then what are we so afraid of
Cause fear is only in our heads

Someone please say...

[Chorus]

(I m not quite sure of the chords for the bridge, but hopefully they re ok! :D)

G#m **B**
Any day ill go bad thinking that
C#m
Everyone is against me and the world wants to fight me
G#m **B** **F#**
Preparing to battle an enemy unseen
G#m **B**
During my stressing Iâ€™m blinded to the lesson
C#m **G#m**
That could be a blessing if Id be confessing that the enemy
B **F#**
Iâ€™m trying to beat is hiding inside of me

But itâ€™s ok now...what are you worrying about...

[Chorus]

B **F#** **C#m** **B** **F#** **C#m**
Keep your grind on girl...itâ€™s your life, itâ€™s your world... [Repeat 2x]

[Chorus]
