I think the tuning could be either standard no capo or standard with capo on 1.
Either
way, I m sure you ll sound absolutely wonderful! :D

(Same chords through verse 2! Hooray!)
People lie, people hide, people cry, people fight
And they donâ€™t know why

If fear is all that we should fear
Then what are we so afraid of
Cause fear is only in our heads

Someone please say...

[Chorus]

(I m not quite sure of the chords for the bridge, but hopefully they re ok! :D)

Em **D**
Any day ill go bad thinking that
Em
Everyone is against me and the world wants to fight me
Bm **D** **A**
Preparing to battle an enemy unseen
Bm **D**
During my stressing Iâ€™m blinded to the lesson
Em **Bm**
That could be a blessing if Id be confessing that the enemy

But itâ€™s ok now...what are you worrying about...

[Chorus]
