

Love Like This
Natasha Bedingfield

D G Bm7 G A D x2

Oh whoa..(Oh whoa..)

Never find a love like this(x2)

D Dmaj7 Bm7 G A D

Well we go back so far,
swingin in your back yard,
all the things that we used to do
We were cool back in high school
ooh I really liked you,
must have been your attitude.

D G Bm7 G A D

That s -why -you keep on runnin
in and out of my mind.
As the years they ll roll by,
Baby, now I know why
I keep comin back to you.

Chorus:

D G Bm7 G A D

You re the only one that knows me,
love it when you hold me,
never find a love like this.
Let me hear you say,
now I ll never be lonely,
look at what you ve shown me,
never find a love like this.

D Dmaj7 Bm7 G A D

Well this life tries to keep us apart
you keep callin me back to your heart.
Let me hear you say,
I m so glad you found me,
wrap your world around me,
never find a love like this.

D Dmaj7 Bm7 G A D

All the guys tried to take me,
you re the one who saved me,
I feel like I owe you my life.
And as strange as it may seem,
I ll go if you take me
I m willing to sacrifice.

D G Bm7 G A D

That s why you keep on runnin

in and out of my mind.
As the years, they ll roll by,
it s not hard to know why
I keep comin back to you.

Chorus:

D G Bm7 G A D

You re the only one that knows me,
love it when you hold me,
never find a love like this.
Let me hear you say,
now I ll never be lonely,
look at what you ve shown me,
never find a love like this.

D G Bm7 G A D

Cause this life tries to keep us apart,
you keep calling me back to your heart.
Let me hear you say,
I m so glad you found me,
wrap your world around me,
never find a love like this.

[Sean Kingston]

D G Bm7 G A D

May never find a love, love, love a love like this,
that still make me think about my middle school kiss.
I sit here in this chair and I wish
for you not to leave me now.
My friends they always told me
not to make you my wifey,
man they was putting you down.
And now they see we rollin,
me and you, we strollin,
they don t wanna come around.

D G Bm7 G A D

Let me hear you say,
you re the only one that knows me,
love it when you hold me,
never find a love like this.
Let me hear you say,
now I ll never be lonely,
look at what you ve shown me,
never find a love like this.

D Dmaj7 Bm7 G A D

When this life tries to keep us apart,
you keep callin me back to your heart.
Let me hear you say,
I m so glad you found me,
wrap your world around me,
never find a love like this,

D G Bm7 G A D
