Neon Lights
Natasha Bedingfield

Intro: **G C G G C G**

G
Everyday theres a thousand things
      C
that somehow pass us by
G
Go cut through the noise
           D
So you can know what love sounds like
G
I m comin to your frequency
    C
To 106 point me
G
So there s no
    D
Distractions

G
Take a breath, take it in
          C
Love has no expiration date
G
My heart will always beat
     D
for you at a constant rate
G
It will outlast everything
      C
You think is set is stone
        G
It goes on and on and on and on,
D
On and on and on and on...

G
Spastic like
C
Neon Lights
G
Can you feel my love?
G
Loud and clear
C
Pulls you near
G

```
Can you feel my love

                    Em
We got all the memories
                    C
So much more we can see
                    G
Better than our first kiss
                    D
Snow falling at Christmas
                        Em
Like sleeping in on Sunday
                    C
Laughter we never faked
                    G
Bob Marley in Summer
                    D
One love for each other

Oh it feels like...

G
Fireflies
C
Day and night
G
Can you feel my love?

G                             C
Everyone is looking for a special connection
G
But its like your compass points
D
A million directions
G
Do you need me to buy you
        C
A telescope so you can see
G
How good
D
This could be

G
Spastic like
C
Neon Lights
G
Can you feel my love?
G
Loud and clear
C
```

Pulls you near
G   **D**
Can you feel my love

Oh!

                         Em
We got all the memories
                         C
So much more we can see
                         G
Better than our first kiss
                         D
Snow falling at Christmas
                         Em
Like sleeping in on Sunday
                 C
Laughter we never faked
                 G
Bob Marley in Summer
                     D
One love for each other

Oh it feels like...

G
Fireflies
C
Day and night
G
Can you feel my love?

(Can you feel it?)

           G   **C**
And I ll wait for you
     G   **D**
As long as it takes
       G   **C**
Until I get through
        C   **D**
And it hits you right in the face

                    G   **C**
Can you feel my lo-o-ove?
           G   **D**
Can you feel my love?

                         Em
We got all the memories
                              C
So much more we can see
                         G

```
Better than our first kiss
                    D
Snow falling at Christmas
                         Em
Like sleeping in on Sunday
              C
Laughter we never faked
                 G
Bob Marley in Summer
                    D
One love for each other

Oh it feels like...

( G  C )

              G           D
One love for each other

( G  C  G )

                    D
Can you feel my love?

G
Spastic like  (fireflies)
C
Neon Lights    (day and night)
G                   D
Can you feel my love?

G
Fireflies
C
Day and night
G                   D
Can you feel my love?
```
