## Pirate Bones Natasha Bedingfield

Pirate Bones

Intro C Em Bm

Verse 1

Em Bi

What if I squeeze myself into any shape and I still don t fit?

F:m

What if I bend myself so much that I break and I can t mend it?

D Bm

What if I burn so bright that the fire goes out and I can t stay lit?

С

What s the point in it?

Em Bm

I could get good at crying crocodile tears just to get along

Em Bm

I could carry on telling you wanna hear til my voice is gone

D Bm

But if I finally get to the place that I think is home and I don t belong

С

What s the point in it? Where s the benefit? When I  $\mathfrak m$  gaining all but I  $\mathfrak m$  losing it

Chorus

Em

It s not worth having if it s too much to hold

Bm7

You can dig so deep that you re left with a hole

Em Bm7

Thirsty in a desert with a bag full of gold

 $\mathbf{Em}$ 

Don t wanna end up like pirate bones

Bm7

What I thought was precious was just a pile o stones

Em Bm7

I might have the treasure but I d be lying alone

Em

Just a pile of pirate bones

Sm7

If I forfeit my soul it ain t worth having

Bm7

If it s something I stole it ain t worth having

Verse 2

Em Bm

What if I stake everything I am on a dream and it s counterfeit?  $\mathbf{E}\mathbf{m}$ If I reach the end that justifies the means could I live with it? BmAnd if it s true that having too much of any good thing could only make me sick What s the point in it? Where s the benefit? When I m gaining all but I m losing it. Oh, oh Chorus Verse 3 Am Em/G It s not worth that much to me if losing out is what it means To swim in shallow victory C Is empty, empty Em/G Αm It s just not worth the price it s only a fools paradise D С Bm7 ~B7 If it s draining every drop of life til I m dry like pirate bones

Chorus
