

Recover

Natasha Bedingfield

G
Been torn apart,
G
got so many scratches and scars,
D
maybe they wont all go away,
Bm
but they ll fade,
D **Am**
maybe time can mend us together.. again.
Bm **Am**
Its not what we ve done but, how far we ve come.

G **D** **Am7**
We will recover
Bm **Am**
the worst is over, now.
G **D** **Am7**
All those fires we ve been walking through,
D **Am**
and still we survive, somehow.
G **D** **Am7**
We will recover
Bm
the worst is behind
Am **G**
and it hurts, but in time, i know that we will recover.
G
(Yeah yeah)

G
Got so much to lose,
G
seems ive lost my power to choose, oh
D
what to love and when to let go,

Bm
that all changed,
D **Am**
get biten once and then your afraid, what a waste,
Bm **Am**
look what we ve done, how far we ve come..

G **D** **Am7**
We will recover,
Bm **Am**

the worst is over, now.

G **D** **Am7**
All those fires we ve been walking through,
D **Am**
and still we survive, somehow.

G **D** **Am7**
We will recover,

Bm
the worst is behind.

Am **D**
and I know it hurts in time, i know that we will recover.

G **D**
Everybodys gotta, a reason to cry,

G **D**
and everybody fights but, not everyone survives

G **D**
and everybodys searching, not everybody finds

G **D**
and im still in recovery, and i ll make it alive?

G **D** **Am**
Ohhhhhh..

G **D** **Am7**
We will recover,

Bm **Am**
the worst is over, now.

G **D** **Am7**
all those fires we ve been walking through

D **Am**
and still we survive, somehow.

G **D** **Am7**
we will recover

Bm **Am**
the worst is behind, and it hurts but in time,

G **D** **Am7**
i know that we will recover,

Bm **Am**
the worst is over, now.

G **D** **Am7**
And all those fires we ve been walking through,

Bm **Am**
and still we survive, somehow.

Finale:

G **D** **Am7**
We will recover,

Bm
the worst is behind

Am **G ***
and it hurts, but in time, i know that we will recover.
