Nathan Carter

[Intro]

[Verse 1]

E

Sailed away from the old North Wall

Travelling feet gave me the call,

A

Leaving, a suitcase in my hand,

E

With the price of a pint, didn't need a bite.

E

There was good old craic on the boat that night.

A

B

E

As we left our homes in Ireland.

[Chorus]

B

And the lights they flickered from the shore,

E

The boat was rocking to and fro,

A

E

B

Heading for the docks in Liverpool,

A

We sang and danced the night away,

E

The squeezebox and the fiddle played,

A

B

E

Stepping off the boat in Liverpool.

[Verse 2]

E

Rise up at the crack of dawn,

Working hard the whole week long,

A

At night time I'd play me old guitar,

E

And we sang together one and all,

E

Side by side and standing tall,

A **B** **E**
The craic was good down in the Liffey bar

[Chorus]

B
And the lights they flickered from the shore,

E
The pub was rocking to and fro,

A **E** **B**
Down beside the docks of Liverpool,

A
We sang and danced the night away,

E
The squeezebox and the fiddle played,

A **B** **E**
Stepping out at night in Liverpool.
