and put words to the story that we didn't know.

Dusted piano keys as the song blows across for tea,

and the floorboards sing to their own melody.

Don't go, Charlottesville,  
**C**  **G**  
leave me by the pillars that hide here,  
**C**  **G**    **Em**  
write me the letter that I wrote you,
