Bury Me Blues
Nathan Lawr

I know it s not very good, but it s somewhere to start, right?

also, just a note:

during the chorus, on the E chord he sometimes slams his pinky down on the high e, and emphasizes that.

Bury me in mud tonight

Underneath the moon shining through the pines

A

You can hear the angels screaming with delight

E

Now, I m crawling up your steps tonight

Peeping through your peeping hole

A

I ll be buzzing like a moth round your porch light

D

E

But, If you don t call out my name, I will not be all right

D

E

If you don t call out my name, I will not be all right

E

You can chain me to your kitchen chair

E

But you can t deny what has brought us there

A

E

You can fake it if you want, I can wait all night

If you don t call out my name, I will not be all right

If you don t call out my name, I will not be all right

If you don t call out my name, I will not be all right
