Nathaniel Rateliff laughing

C **Am**
You're looking thin anyways and you stare right through me
F C G
Surprised to be leg to leg
C **Am**
And is there a place we could run and you could hide with me
F C G
And take our time doing, nothing at all
C **Am** **F**
We got tungsten rope tying us down, and this tiny crown
C G
Will be our shield for hope and love

[Chorus]

C **F**
And I don't know, where we're going X3
C G
Until we're gone
C **Am**
Pretend you're the wind, pretend I'm the sun and how warm I make
F C G
How warm I make, your air
C **Am**
And if it's not too much love, cover my eyes for me
F C G
It's a bright morning and we're waking up

[Chorus]

C **F**
And I don't know, where we're going X3
C G
Until we're gone
Am G F C
Even when they got us pinned, we're laughing

It s a great song so enjoy :)
