Changin Times LETRA:

When I was younger I used to understand
That when you re with a girl, you gotta act like a man
Mama told me that s the way it should be
And I know my mama never lied to me.

What do you think about you re changin times
cause when I m with you I just can t make up my mind
Since I met you don t know right from wrong

Somebody tell me just what s goin on

Just can t get myself thinkin straight
I m all shook up and in a terrible state
Sometimes I think I got it all figured out
Then you do something new and it just knocks me right out

Someday baby I m going to have to make a stand
The way that you treat me baby
Don t make me feel too much like a man
And baby, baby, the changes you re goin through
You re drivin me half crazy
Can t make up my mind what to do about you.

Tellin myself that time is on my side
You re gettin this feelin that my mind s on the slide
Dumped on the floor, I feel I m trapped in a spin
Don t know how to end, can t think of where to begin

She don t care I know she don t even try
But when she turns it on
You know she gets me so high.

She s a lady that s making my life a sin
You know that I m runnin in a losin race
There ain t no way I can win
Baby, baby, the changes you re goin through
They re drivin me half crazy
Can t make up my mind what to do about you.
