Intr.: **E A D E**

E

Do I feel alright?

C#m

I ll go anywhere you say you wanna to take me

A **B**

Save me, far away ay ay, steal away ay ay

E

Cause I feel alright

C#m

I ll do anything you say you wanna make me

A **B**

E A D E

Take me, far away ay ay, run away ayay

E

We ve been up all night,

C#m

Trying to avoid a situation

A **B**

Hold me, let feel you way

Cause I wanna stay

Let them all start talking

A

We wont give ourselves away

C#m **B** **A**

Our love leads to madness

Our love leads to madness

Our love leads to madness

Do you feel alright?

And can you see me when you look in your mirror

Crazy, try to find a way, so your heart don t pay

Run away ay ay

Don t you give yourself away

Our love leads to madness

Our love leads to madness

Our love leads to madness

Our love leads to madness
