Now we re lyin in the shade, sharpenin the blades of our rivalry

Untidy lies, they could never disguise the truth behind the door

Prove me wrong, show me I still belong

Come on and move me

Let me feel you move me like you used to

*Solo:* C C F Em Em7 F D G

There can be no contention,

So come on and move me

Let me feel you move me

Prove me wrong, show me I still belong

Come on and move me

Let me feel you move me like you used to
