

My White Bicycle
Nazareth

Ok this is my first tab AFTER i found out i was playing it all wrong. So here it goes

Intro

G
D
A
E 7777 5555 3333 5555

Chorus («My white Bicycle»)

G
D
A
E 3 5 3 5 3 5 3 5

Verse

G
D
A
E 7777 5555

Solo

I still haven't figured out whether to play the intro riff or the chorus riff so try them both and see which one sounds best.

That's it, repeat as necessary!
